

# Save Whipps Cross Hospital Campaign

**Press Release: for immediate release**

## Save Whipps Cross – the party

**18 January 2008** As the campaign heads into 2008, we thought it was time for a little celebration. Don't get us wrong: we haven't won yet. But we have made some really big advances – exemplified in the report in November from NHS Director of Clinical Excellence Professor Alberti, which vindicated our arguments for keeping Whipps Cross Hospital as a fully functioning acute district general hospital.

So we have decided to hold a party for all our friends and supporters. The date to mark in your diary is **Saturday 16 February**, 7.30 till late. Admission (£5) includes food and your first drink, plus music, dancing – and, promises campaign Chair Charlotte Monro, absolutely definitely no more than one short speech.

The venue is the Lord Rookwood pub in Leytonstone. To get your tickets, you can use the form on the Save Whipps website ([http://www.savewhippscros.org/party\\_form.php](http://www.savewhippscros.org/party_form.php)), or email the campaign at [info@savewhippscros.org](mailto:info@savewhippscros.org).

The campaign would like to express its thanks to Bob, landlord of the Lord Rookwood, for generously providing the venue free of charge.
