

Welwyn Hatfield Keep NHS Public Campaign

QEII TO CLOSE SAVE OUR HOSPITAL

The decision has been made we must fight this blatant destruction of our hospital. Welwyn & Hatfield needs all its NHS services the voice of the people must be heard to keep the QEII as the district general hospital retaining all of its services intact. The Welwyn Hatfield Keep the NHS Public Campaign is responding to the clearly stated wishes of the local populace in its support for this cause as an integral part of the opposition to the increasing privatization of the NHS. We support the March and Rally called for 10th June by the Hospital SoS campaign as part of this fight for the NHS supporting the beleaguered staff in the hospital and ambulance services to keep the NHS PUBLIC & FREE.

SAVE QEII MARCH & RALLY Sunday 10th June
